Re: April 19<sup>th</sup> Music Program

Dear Parents,

I am excited to let you know that your child's music program is ALMOST here! Join us as King Leo and his assistants Spots and Stripes venture through the jungle on a quest to find the key to happiness! "It's A Jungle Out There!" will be presented in our school gym on Tuesday, April 19<sup>th</sup> at 7:00 p.m. You won't want to miss it!

Students should arrive nicely dressed and ready to sing! Please take your child to their regular classroom between 6:40 and 6:50. The school doors will open at 6:40. The students have been working very hard in class and are sure to entertain!! This is the big musical finale for the year and all students are expected to participate. If for some reason your child cannot be here (out of town, family event, etc....) please let me know via a written note or email as soon as possible! As usual, if your child is ill and not in attendance at school on the day of the program, they may not participate in the evening. This is for the health and safety of all. Thank you in advance for your help and understanding.

Costuming for this show is minimal and for the most part will be taken care of in school. There are three characters that need to come "in costume." They are: King Leo (Gunner Fencl), Stripes (Sophie Manning) and Spots (Logan Clarke).

Leo= He is the king of the jungle. Gunner tells me that he is getting a Lion costume from someone. That is awesome. If by chance that isn't the case or it doesn't work out, you could just paint nose and whiskers. I have the cape and scepter. He IS in need of a crown. This could be as simple as a paper crown, if you wish. Please make or bring one from home. I believe Burger King still has crowns. This would work as well.

Stripes= Simply wear something that is striped (preferably black and white). She could be representing any striped animal. I may have ears here that would work. A striped tail would be great but not necessary.

Spots= He is representing any spotted animal. I believe the last time I did this show, the student wore sweatpants and sweatshirt or tee shirt (gray or black) and taped or safety pinned a bunch of bigger spots on the clothes. This works for me. Again, I believe I have some ears here if needed. Tail is optional.

\*\*\*For the three characters listed above, they should BRING their costume to school on the day of the program (19<sup>th</sup>) as we have a dress rehearsal for the school. They should

WEAR their costume here for the evening costume, with any face makeup that you have chosen, already on.
